Project (select only one) **CFISD Steer** **CFISD Goat** **CFISD Lamb** **CFISD Swine**

To allow the maximum number of students the opportunity to participate, **students will not be allowed to house more than one CFISD animal during the school year.** (Example: Being granted space to house a CFISD steer means that requests to house a CFISD lamb, goat, or swine will be denied.) NOTE: This limit applies to district-supported housing only, not to the number of market divisions a student may enter.

Have you forfeited your district barn deposit for failure to clean your pen, etc. in the past? **No** **Yes**

If the answer is yes, please contact your teacher for the SchoolCash link to pay a fee that includes a \$300 deposit. (see below)

Deposit and Fee Schedule

The student is subject to Ag-Science Center deposits and fees, which are required for projects housed at the facility. These deposits and fees are used to maintain the center. Deposits and fees are non-negotiable and are due prior to any animal's arrival at the center. A deposit is required on all stalls and pens. Deposits will be refunded if the project is removed, the stall/pen has been cleaned to the satisfaction of the ag-science teacher, and all damages have been repaired by the end of the agreement or within a week of the removal of the animal, whichever comes first. Once a deposit has been forfeited, the student's deposit rate will be increased to \$300 for any future usage. If the \$300 deposit is forfeited, the student may lose all privileges to obtain a pen at the Ag-Science Centers.

Division	Rental Fee	Refundable Deposit	Total Due
CFISD Steer	\$80.00	\$120.00	\$200.00
CFISD Goat/Lamb/Swine	\$50.00	\$100.00	\$150.00

Card Keys - All students will be issued one card key at no charge.

While the student is expected to be present at all times, **one (1) additional card key may be purchased for \$10** to assist with extenuating circumstances such as conflicting school activities, overnight field trips, animal illness/emergency, etc. To purchase an additional card key, go to <https://tinyurl.com/2022barncardkey2>. If you have any questions, please contact the LSA office at 281-897-4036.

I acknowledge this student plans to take at least one ag class in 2022-2023 and this market animal is being entered and is scheduled to be shown at the CFISD Livestock Show as an FFA SAE (supervised agricultural experience).
